STRATEGY CONSULTING INTERNSHIP

EXPERIENCE

what strategy consulting is
like at the forefront

LEARN

how to solve complex real
world business problems

MAKE

a difference by creating unique
solutions that deliver impact

PROSPER

in a close-knit community that
brings out the best in people

August is the leading local strategy consulting firm in Finland. We are now recruiting several interns for 2022.

Typically, our interns are at least 3rd year students with demonstrated high performance in studies, work, or other fields of life. As individuals they tend to be intellectually curious, entrepreneurially driven, and brave difference-makers. And compassionate too, the kind of people you'd want to have as your colleagues.

If this sounds like you, don't hesitate to **apply** for our **2022 internships** by **September 30, 2021**.

An internship lasts 2-3 months with flexible timing during winter, spring, or fall.

Find out how to apply at: www.august.fi/join-us
